Olean-Bradford Area YMCA Child Care Programs

Olean-Bradford Area YMCA Child Care programs touch the lives of 1,600 children **per day** in licensed preschool day care, after-school programs and day camps. These programs build developmental assets in youth, giving them the foundation to be productive adults.

In 2009, the Y provided \$100,000 in financial assistance to deserving families who needed child care. Additionally, the YMCA provided a \$210,000 match for its grant-funded programs that offer free after-school activities in 10 communities.
